

Definition of Hadith

After the Holy Quran, the most important Islamic textual material is the Tradition, which includes the Sunnah and Hadith of the Holy Prophet ﷺ. The Sunnah is the practice of the Holy Prophet ﷺ while the Hadith is his sayings.

Use the spider diagram to explain what the Hadith means to you

Match up the boxes to make the correct hadith:

God is Kind and

he is in the path of God
and he remains so till he
returns

The best among you are
those

are those who learn the
Qur'an and teach it

A person who goes in
search of knowledge

paradise for the
disbelievers

A believer is not stung
twice (by something)

but that He created its
treatment

None of you will have faith
till he wishes

who have the best manners
and character

Visit the sick, feed the

is 'La ilaha illallahu'

The best remembrance of
God

likes kindness in all things

The world is prison for the
believers and

out of one and the same
hole

The most superior among
you

for his brother what he
likes for himself

No disease God created,

hungry, and free the
captive
