# Arabic Crash Course – Mark Scheme

Majlis Atfal-ul-Ahmadiyya UK

**11 to 15 age group**

## Instructions:

- **READ THESE INSTRUCTION CAREFULLY BEFORE STARTING.**
- The following is the mark scheme to the Arabic Crash Course exam.
- If you haven't already attempted the test, please do so before viewing the mark scheme.
- The marking should preferably be done by a parent.
- Marks should not be deducted if the answer for the Arabic section is written as a transliteration (phonetically).
- For question with more than one mark, be generous and award partial marks if the answer is partially correct or if the candidate had the right idea but not the correct answer.
- The "A'araab" (short vowels) are note essential for the correct answers.
- The test is out of 130 mark

## Section 1: Multiple Choice Questions

Pick one answer per question. If you do not have the test printed, then just number the questions accordingly and write your option next to it.

Q1 How many letters does the Arabic Language have?

- a) 30
- b) 28**
