Abid Khan Sahib's Diary

Joy of Seeing Huzoor Again

Perhaps the most affected guest I met was a lady called Patricia, who had established a non-governmental organisation (NGO) in order to cultivate peace in the world. She was beaming with joy at having seen Huzoor and having listened to his message.

We sat together during the dinner that followed the event and several times she said she felt privileged and overcome that Huzoor had come especially to Holland to highlight the means for peace in the world. She also expressed her personal feelings regarding the lack of a senior representative of the Dutch State during the proceedings. Ms Patricia said:

"... Personally, whenever I see him and I have seen him on a couple of occasions before in London, I feel spirituality and I feel his pious energy and a love for humanity that I have never ever felt in anyone else's presence. I really, really hope that I get to personally meet him again this evening."

As she said this I also hoped that she would get the chance to meet Huzoor and just a few minutes later, some guests approached Huzoor's table and Huzoor graciously stood up to meet them one by one.

Upon this, I called Patricia and said she should also join the line. After a few minutes, she was able to meet Huzoor and presented a gift to him. Immediately Huzoor remembered her and the fact they had met in London.

Huzoor said he was pleased to meet her again and Patricia was extremely happy and surprised that Huzoor had remembered her. It was but one example of how Huzoor has the special capacity to touch the hearts of people of all nations and races.

ACTIVITY & DISCUSSION SECTION

**Discussion: [What does Islam say about respect towards

- 4 to 5 points to get the Atfal going about the subject.

Teacher Notes:

1. This is the main part of the lesson! Make sure you engage the Atfal and get their side of the story as well
2. Do your own research prior to the lesson so that you are comfortable with the topic
3. Perhaps, you can narrate an interesting story for the Atfal
4. Spend around 15 minutes on this

Why should we respect our parents?

- **How can we show obedience to parents?**
- **Does Islam allow us to ever disobey our parents?**
- **What did the Holy Prophet Muhammad (pbuh) say about the status of mothers in Islam?**
- **What is a simple prayer we can use to pray for our parents?**
