FRIDAY SERMON - FRIDAY 1ST MAY 2026

The Promised Messiah(as) sent an article for publication to a Christian editor, Rallia Ram. Along with the article, he included a letter in the same postal packet, unaware that this violated postal regulations

When summoned to court, lawyers strongly advised him to deny placing the letter in the packet and even suggested producing false witnesses to secure an acquittal. Despite the risk, he firmly refused to lie, choosing to remain truthful regardless of the outcome.

In court, when questioned, he openly admitted that the letter and packet were his, clarifying that there was no ill intent. Upon hearing his honest statement, the judge's attitude changed, he dismissed the arguments against him, and released him without punishment.
