# WINTER CHALLENGE

It says in a Hadith-e-Qudsi, that on the day of judgement Allah the Almighty will ask people why they didn't visit him when he was ill, feed him when he was hungry, and give him something to drink, when thirsty.

When asked what is meant by this Allah will say my such and such servant was ill and you didn't visit him, he was hungry and you did not feed him, and he was thirsty and you did not give him something to drink.
